How do we get there?

During the Comp Plan update process there will be plenty of opportunities to get involved and provide input. The first opportunity is participating on a Working Group. This group will meet regularly to collaborate and provide guidance, review, and feedback throughout the update process. To apply to be on the Working Group, please send a letter of interest with the following information to [nkillian@bayfieldgov.org](mailto:nkillian@bayfieldgov.org), (Nicol Killian) or drop off at Town Hall, by July 1, 2022 or as soon as possible:
