Your local Rotary Club is asking local families to consider opening their home and hearts to a guest student. What an amazing opportunity to make a difference. Host families provide a home for the student for 12 weeks. The student will experience a real home. The student will attend a local High School, play sports or participate in other extracurricular activities, learn our local cultures, and learn English. The student will have three host families, each one for 12-14 weeks. Host families have found this to be a wonderful experience for their own families and many have made lifelong friendships with their exchange student and their extended families. For more information, please contact Marian Tone at 970-799-4951 for more info.
