Mill Street East Gateway

A portion of Buck Highway and then Buck Highway to Church St will be under construction this summer.

Slurry Seal/Parking Paint

Mill St will get a new black top with new parking strips painted. The head in parking will remain on the south

Sewer Line & Plant

A sewer line will be constructed off East CT with nutrient updates to the plant.

Parks and Plans

Joe Stephenson and the Comprehensive plans are in the final stage.

Programs at Bayfield Parks and Recreation

Co-Ed Softball games will be every Monday night from 6:10pm – 10:25pm and Men's Softball games will be every Thursday night from 6:10pm – 9:20 in July. Any games during inclement weather may be rescheduled.

Fall Youth Flag Football League and Fall Youth Soccer League signups will open on July 17th and run through August 20th. Sign up at <https://bayfield.recdesk.com/Community/Home>

Eagle Park Pavilion or the Pine River Senior Center facilities are available for the enjoyment of our visitors and residents. If you would like to reserve the for an event this summer, please complete the rental availability inquiry form found on our website: <https://www.bayfieldgov.org/parks-recreation/webforms/parks-facility-availability-inquiry>

Block Party in June was a huge success! Next Block Parties will be July 20th and August 10th. Vendor forms can be found online <https://www.bayfieldgov.org/parks-recreation/pages/event-vendor-opportunities>, or email acarroll@bayfieldgov.org

Cinnamon Heights Transfrml Affordable Housing Grant

The State Housing Board approved a \$2 Million grant for the Cinnamon Heights Deed-Restricted Workforce Housing Project infrastructure. Town staff will be applying for some additional grant funding to fill the gap amount.

Protect Yourself and Remove Mosquito Habitat on Your Property

For You:

- For repellents go to the EPA website. <https://www.epa.gov/insect-repellents>.
- Wear long sleeve shirts and pants that are loose fitting for extra protection.
- If you are outdoors at dusk and dawn, when many mosquito species are most active, protect yourself.

For Your Home & Property:

- Clean debris from rain gutters to allow proper drainage.
- Check around outdoor faucets and air conditioner units and repair leaks or puddles.
- Check window and door screens to ensure they are in good condition and seal tightly.
- Keep grass cut and shrubbery trimmed near the house where adult mosquitoes may rest.
- Keep drains, ditches, and culverts clean of weeds and trash so water can flow properly.
- Fill in, or drain, low spots (ruts, etc.) in the yard where water collects.
- Make sure that boat/RV coverings are pulled tight and sloped to allow water to drain.
- Empty plastic wading pools at least once per week and store indoors when not in use.
- Drill holes in the bottom of tire swings to allow any water to drain.

Tentative Mosquito Control Dates

- June 28
- July 26
- August 16
- September 13
